The Triumph of Love in Dark Times

Like many people, I often wake in the night, particularly now with concerns about Corona Virus and the worry I have for friends and family. At these times the world seems still. Sometimes, I look out of the window – nothing is moving, and all is dark and silent. For people who are poorly or worried the nights can seem very long, darkness seems to last for ever. But there is always the hope of the coming dawn, the light breaking in the sky and the birds singing.

When some one we love dies we often speak about it being a “dark time”, the psalmist speaks of the “Valley of the Shadow of death” – suggesting a sense of stillness and silence in the face of great loss. Perhaps there is also a sombre sense that something has died too in those who mourn.

St John describes Mary Magdalene going to Jesus’ tomb, to anoint his body, on the first Sunday after his crucifixion. For Mary it must have been a very “dark time”, a time of great loss and grief. We can imagine that she has been crying all night, tossing and turning in the darkness, unable to sleep, and thankfully, but sadly, she rises early to go to Jesus’ tomb.

The Bible tells us “it was still dark” and so I imagine the stillness of Jerusalem and the strange echo in the streets, as she walks along. Mary sees that the stone from the tomb has been moved away and that Jesus’ body is not there. She is shocked and dismayed. As she weeps, she sees two angels and later she sees the man she thinks is the gardener and then understands to be the resurrected Jesus himself. “Teacher” she greets Jesus and reaches out to touch him.

Mary is the first witness to Jesus’ resurrection. As the truth dawns, and joy and light floods her soul, Mary runs to the disciples “I have seen the Lord” – what a proclamation – filled with hope and triumph. As the light of morning triumphs over the darkness of night so Jesus has triumphed over death. The light and happiness of the resurrection gives us all hope; the hope that death is not the end and that we will share in resurrection.

In these difficult times I pray you have a blessed Easter,

Jane Lloyd (Vicar)

Haslington Parish Council

Notes From The Meeting Held in

March 2020

A resident from the village came to ask the Parish Council for help in stopping the young people from making a nuisance of themselves in the evening at the Gutterscroft playing field. She said that she had heard shouting and bad language during the evening and early morning. She had phoned 101 three times with the complaints within a year and suggested that more could be done. She suggested putting a fence around the playing field and locking it at 10pm and unlocking it at 6am. She was quite willing to do the locking up and unlocking and was sure that some of her neighbours would be happy to help. However as the footpath goes alongside the playing field adjoins the one leading to New Street it is difficult to fence this area off. In the past this has been discussed but the police said this would lead to a narrowing of the footpath and could lead to gangs of youngsters fighting in the narrow area causing disturbance to the houses on the other side of the Gutterscroft hedge. Further discussions would take place with the Police for advice and any plans would be followed up at subsequent meetings.

There had been one report of an attempted burglary in the parish and the residents were asked to ensure all windows and doors were locked. The problem of flooding in Hassall Road and Wheelock Heath was reported and also Holmshaw Lane was flooded to make it almost impassable and needed urgent attention. Mill Lane in Oakhanger was also flooded making it difficult for residents with cars to access the Lane.

The lights at Winterley - Steward Milner estate and George Gallimore Drive that had been reported previously had now been installed.

The Neighbourhood planning meeting had been postponed due to ill health.

The Waters Edge estate at Winterley had now had the play area installed and was awaiting this to be signed off.

The Daily Mail Litter Pick between 20 March and 13 April was to be arranged and anyone interested in taking part are more than welcome. The actual date of our parish to do the litter picking is to be arranged and will be advertised on the haslington.org website.

Donations were made to the Haslington Rangers to enable them to completely overhaul the Girlguiding Programme.

The Methodist Church at Winterley also applied for a donation towards the new car parking safety marking and restrictive bumps. This donation was granted also.

The restrictions around the Village Green were discussed and the decision on this will be made at the April meeting.

The question of speed cameras was raised and it was acknowledge that PC Lizzie Jolley had caught a large number of vehicles speeding.

Councillor Ian Goodwin had distributed discount cards for the village and businesses taking part in this venture can be found in the www.haslington.org website.

Working From Home

The grass needs cutting,
I must mend the gate.
I'm expecting a parcel,
I hope it's not late.
I must get a wash on.
There's the ironing too.
The gas bill needs paying.
There's so much to do.
I must send that email.
I can't really moan,
This is the life,
When you're working from home.

I'm due a long lie in
I must feed the cat.
There's the dishes to do,
I'll get round to that.
I'll de-frost the freezer
If I've got time,
But I'm watching the cricket.
Sky Sports is just fine!
I'll look at that spreadsheet,
Use my mobile phone,
So everyone knows
That I'm working from home.

Only if Coronavirus Restrictions are lifted

A polite note to all on St Matthew's Rotas. -- Please could you all check the rotas you serve on before you go away on holiday or miss a Sunday so that the 'jobs' can be continued easily. There have been several times in the last few months when we have had to ask people to fill in at the last moment. I am sure you can easily change dates with someone else on the same rota if you plan ahead.
Many thanks, Arleine and Alan

Lemon drizzle simnel slices

Ingredients

oil, for the tin
250g butter, softened
250g golden caster sugar, plus 50g for the topping
2 large lemons, zested and juiced
3 large eggs
200g plain flour
100g ground almonds
2 ½ tsp baking powder
50ml milk
100g mixed dried fruit
300g marzipan, chilled
50g icing sugar

Method

Heat oven to 180C/160C fan/gas 4. Oil and line a 20cm x 30cm baking tin with baking parchment. Beat the butter and sugar with most of the lemon zest until pale and fluffy. Add the eggs one at a time, mixing constantly, then add the flour, almonds and baking powder, and keep mixing until you have a smooth cake batter. Stir in the milk and dried fruit.

Scrape half the cake batter into the tin and level the surface. Coarsely grate half the marzipan onto the batter to create an even layer, then cover with the rest of the batter, trying not to disturb the marzipan too much. Level the top and bake for 35-40 mins or until a skewer inserted into the centre comes out clean. If any wet cake mixture clings to the skewer, return the cake to the oven for 5 mins, then check again. Mix the remaining caster sugar with a quarter of the lemon juice, then drizzle over the cake while still warm. Leave the cake to cool in the tin.

Mix the icing sugar with enough lemon juice to make a drizzly icing – 2-3 tsp should be enough. Divide the rest of the marzipan into 11 even lumps and roll into balls. Drizzle the icing over the cake, top with the marzipan balls and sprinkle with the remaining lemon zest.

The Lent Course is continuing using the phone chat room at 7:30pm on Thursday evenings. Once the lent course is finished the course will continue using a Bible Study theme. Any one can join the chat room as with the Wednesday evening prayer. As always the telephone call is free.

Keen to sell his car, a minister put an advert in the local shop.

'HEAVENLY BODY, RELIGIOUSLY MAINTAINED, HOST OF EXTRAS.
IT COULD BE THE ANSWER TO ALL YOUR PRAYERS'

Sometimes women are overly suspicious of their husbands. When Adam stayed out very late for a few nights, Eve became upset. "You're running around with other women," she charged.

"You're being unreasonable," Adam responded. "You're the only woman on earth." The quarrel continued until Adam fell asleep, only to be awakened by someone poking him in the chest.

It was Eve. "What do you think you're doing?" Adam demanded.

"Counting your ribs," said Eve

A man who travelled regularly by plane was only half listening to the flight attendant reciting safety instructions. But suddenly his ears pricked up as she said, “There may be fifty ways to leave your lover, but there are only five ways to leave this plane”. And then said “please return your seat to its upright and most uncomfortable position. Later you may lean back and break the knees of the passenger behind”

Keep us, good Lord,

that we may rejoice in your comfort
knowing that nothing can separate us from your love
in Christ Jesus our Lord.

Amen.

For those who are ill

Merciful God,
we entrust to your tender care
those who are ill or in pain,
knowing that whenever danger threatens
your everlasting arms are there to hold them safe.
Comfort and heal them,
and restore them to health and strength;
through Jesus Christ our Lord.

Amen.

For hospital staff and medical researchers

Gracious God,
give skill, sympathy and resilience
to all who are caring for the sick,
and your wisdom to those searching for a cure.
Strengthen them with your Spirit,
that through their work many will be restored to health;
through Jesus Christ our Lord.

Amen.
